

Note for Parents

Due to timetabling changes at school, the timetable for home learning has also been slightly modified (and simplified).

All homework will now be set on a Tuesday and due for the following Monday. The only exception to this rule is reading at home, which will be set at a reading session and due for the next reading session (Mondays, Wednesdays and Thursdays).

As usual, we encourage pupils and parents to engage in active spelling activities to reinforce learning of the week's spelling pattern. Hopefully, this longer period between the pre-test and dictation will give parents more time and opportunities to engage in more active spelling activities.

A new list of reading task cards has been uploaded to the P4 class pages on the school website.

A new list of active spelling activities has been uploaded to the P4 class pages website. Please, feel free to use additional active spelling methods if you feel they are effective.

If you would like physical copies of these lists, please ask Miss Wilson or Mr. Taylor.

We hope this new schedule will help simplify home learning for you.

Many thanks,

Mr. Taylor and Miss Wilson
