

YEAR OF ROBOTICS!

2017

DESIGN OUR MASCOT!

WIN A 3D PRINTED VERSION OF YOUR ROBOT!

Our 3D printing laboratory needs you!

2017 is the Heriot-Watt Year of Robotics. To celebrate, we need a mascot and want you to design it! You could win a 3D printed version, plus see your mascot online and at all our events.

Bring your imagination to life, and create something unique, useful and amazing!

Deadline: 24th January 2017

One of the judges is Dr Theo Lim, an expert scientist and engineer:

"This is a chance to be creative and use your imagination, creating something which is unique and has never been made before, there's no better way to create the future"

The small print!

Open to all primary school age children in Scotland

Design can only use 2 colours

Must be hand drawn!
