

## P4 Home Learning - Tuesday 1st November

### Spelling- due Thursday 3rd November

This week we are learning the 'ed' suffix spelling pattern when doubling the final consonant. Your child will have highlighted 10 words on a list which is glued into their home learning jotter and should be learnt for this Thursday. Your child has been given a sheet with 4 new Active Spelling tasks which can also be found on the website.

### Reading

**This week's Reading task:** due Monday 7th November

We have put up the new reading task cards for this term on the website. As with last term, your child should choose one different task related to their group reading book. A list of these are listed on the Juniper Green class website. The task should be completed in their Home learning jotter or on a separate piece of paper.

### Maths:

**This week's Maths task:** due Monday 7th November. Your child can create a menu on the back of the sheet, write it in their jotter or they may like to design a colourful menu on a separate piece of paper.

If you are feeling confident have a go at the hot challenge. Next week in class we will share your fantastic healthy menus!

### Optional Home Learning Task:

Our Interdisciplinary learning project this term is 'Ancient Egyptians.' This week in class we began by creating our Big Floor plan and finding out what we knew already and where we wanted to go with our learning.

Your task is to carry out your own research about Ancient Egyptians and list five facts that you have found out. You can record them in your Home learning jotter. Feel free to include any relevant illustrations.
