

P4 Home Learning - Tuesday 8th November

Spelling- due Thursday 10th November

This week we are learning words with the spelling pattern of 'a' before 'l' says /o/. E.g call, ball. Your child will have highlighted 8 words on a list which is glued into their home learning jotter and should be learnt for this Thursday. Please see the Active Spelling tasks on the website.

Reading

This week's Reading task: due Monday 14th November

Please encourage your child to choose a different Reading Task card each week. A list of these can be found on the Juniper Green class website. The task should be completed in their Home learning jotter or on a separate piece of paper. Please make sure you bring in your Reading Task on the **Monday** so that you can share what you have done with the rest of your group.

Maths:

This week's Maths task: due Monday 14th November.

Your child has been issued with a 'Multiplication Arrays' worksheet. This week in Numeracy we have been using arrays to help us solve multiplication calculations. We have also been looking at other strategies, such as repeat addition.

Extra Challenge: Practice counting forwards and backwards to 50 in 2s, 5s, 10s and 3s.

Optional Home Learning Task:

This week in our Big Writing session we are going to be learning about instructional writing. As our Project this term is 'Ancient Egypt' we will be using 'mummification' as our context for writing instructions !

TASK: Your task is to write a set of instructions for one of the following.

- A) Making a fruit salad
- B) Wrapping a present
- C) Building a snowman

Think about the success criteria we used in class.

- Use 'how to' in the title, list the materials/ingredients/equipment, use bullet points or numbers for each instruction and write in short, clear sentences.
- Remember to use imperative verbs like 'mix' and 'stir' at the start of each instruction. You may also wish to draw illustrations or diagrams.
