

P4 Home Learning - Tuesday 17th January

Spelling- due Monday 23rd January

This week we are learning words with the spelling pattern of 'ph' which makes the /f/ sound. Your child will have highlighted 8 words on a list which is glued into their home learning jotter and should be learnt for Monday.

Reading

This week's Reading task: due Monday 23rd January

Please encourage your child to choose a different Reading Task card each week. A list of these can be found on the Juniper Green class website. The task should be completed in their Home learning jotter or on a separate piece of paper. Please make sure you bring in your Reading Task on the **Monday** so that you can share what you have done with the rest of your group.

Maths:

This week's Maths task: due Monday 23rd January

This week we are focusing on fractions. Identify what fraction of the  shape is shaded in. Remember to use the correct notation for fractions e.g. "One $\frac{1}{6}$ sixth =

Optional Home Learning Task: Design a Robot Competition

Heriot Watt University have launched an exciting competition for Primary School children in which they can design their own robot. The robot will act as a mascot for the Heriot Watt year of Robotics. It must be hand drawn and use only 2 colours. The prize is a 3D Print of your robot design!

We have supplied your child with an application form for the competition and further details of the competition can be found on the Juniper Green Primary School website in the P4 class pages.

THE DEADLINE FOR THE COMPETITION IS TUESDAY 24TH JANUARY.

All entries need to be scanned and emailed to the university. **PLEASE DO NOT GIVE/EMAIL THEM TO THE SCHOOL.** Unfortunately, we will be unable to facilitate this for both classes. The competition is run by Heriot Watt University and they should be contacted directly.
