Maths:

This week's Maths task: due Monday 28th November.

This week we are focusing on consolidating our learning of the **6 and 7 times tables**. By the end of this term we would like for most pupils to be confident with recalling **all** of their Times Tables (2, 3, 4, 5, 6, 7, 8, 9, 10, 11 and 12)

We have provided you with a sheet with all of the Times Tables to help your child practise.

Please see the suggestions from last week for ideas.

This week we have set a **Sumdog Multiplication Challenge** based on the work we have been doing in class. (2x, 3x, 4x, 5x, 6x, 7x and 10x)

Due Monday 28th November.

Have fun!

Optional Home Learning Task:

Your task is to write a secret message in Hieroglyphics. It can be as short or as long as you like. Please do this on a separate piece of paper so that we can display them in the classroom.
